

Old Students Association of Shaheed Anwar (OSASA)

Time is dynamic. 'Shaheed Bir-Uttam Lt. Anwar Girls' College', in its progressive journey, has been renamed from 'Shaheed Anwar Girls' School' in the Post-Liberation period, which was formerly known as 'Cantonment Modern School' in the Pre- Liberation period. In the wake of the success of its transition and its advancement, the Old Students' Association of Shaheed Anwar (OSASA) started its journey in 2004. The members of OSASA today are established at various levels of society and are renowned in their respective vocations for their work and contributions. The students of this college are playing an effective role in shaping the society today which will be a source of inspiration and imitation for the present and future students. OSASA is a bridge between different generations of students of this institution. The OSASA Reunion Program was successfully held in 2004, 2007, 2014 and 2017 with the participation of the eminent female personalities established at different levels of society. It is hoped that this continuity will be maintained.
