Speech of Moderators

The next generation's future is highly dependent on creativity. To increase creativity we need cherishing students from early ages through our original cultural activity . Without practicing own culture a nation cannot prosper . Through our Cultural Club we will make our students to love our culture, practice our culture ,and enrich our culture before the world .

Mission and Vision

‘No nation can Stand without a strong Cultural Background.’

The Mission and Vision of our Club is:

To flourish the children’s mind with the participation of different cultural activities to understand their own culture and to inspire them to take the essence of our beautiful culture in every sphere of life .
