Introduction

SAGC Language Club comprising Bangla and English Departments was established by the auspicious hands of the then Principal, Colonel Md. Zahidur Rahim, psc in 18 November 2015 with a view to making the female students of Bangladesh skilled enough to keep pace with this ever changing and vibrant world. The club has been providing its learners with the necessary and appropriate guidelines for ensuring a very effective and smart communication skill in both Bangla and English Language. It aims at developing the language proficiency of the learners prioritizing four skills of the language, boosting up the confidence level and communication skill through different activities. Under the pragmatic direction and proper guidelines of the Principal, Colonel Md Mozahidul Islam, psc, G, the club is going to add a new but a very promising dimension through the introduction of ***French and Arabic Language Courses*** from March, 2021 for catering all the demands of modern communication. The club has been conducting all its activities of the learners including the participation in different events inside or outside of its campus. The learners are being rightly prepared, nurtured and groomed by some energetic and smart faculty members under the dynamic supervision of the honourable Principal.

Vision

To ensure all the necessary language skills that are required for academic, career, personal and social uplift.

Mission

- # To help the learners be confident of using language smartly in practical life situations.**
- # To make the learners use the right accents and vocabularies in everyday life.**
- # To prepare them for the national and international events in different language fests and competitions.**
- # To help them maximize the opportunities that they get in career pursuits.**
- # To inject self-belief and motivation into learners for better communication.**

Activities
